

quality policy

**At SUEZ - Water Technologies & Solutions,
we are committed to:**

- Meeting and exceeding customer expectations
- Improving customer satisfaction and trust
- Delivering quality products and services on time, in compliance with regulatory and contractual requirements
- Continuously improving the quality of our products, services and processes
- Responding quickly and effectively to resolve issues

Yuvbir Singh

CEO, SUEZ - Water Technologies & Solutions
Revision 001

At SUEZ - Water Technologies & Solutions, we are committed to:

- Achieving environmental, health & safety excellence
- Meeting and exceeding customer expectations
- Complying with applicable EHS laws, regulations & standards
- Providing workers with safe and healthy working conditions
- Considering EHS impacts in all SUEZ's business strategies and initiatives
- Managing and controlling risks from SUEZ's facilities, products, services and activities
- Protecting the environment by reducing use of toxic and hazardous materials, preventing pollution, and conserving, recovering & recycling materials
- Continuing to improve our EHS systems and performance as an integral part of operational strategy & rhythm
- Eliminate hazards and reduce health & safety risks faced by our workers
- Consulting and participating with our workers & workers' representatives, if applicable, on the issues that concern them
- Reporting and auditing our EHS performance to improve accountability
- Implementing our 10 Life Saving Rules to avoid severe accidents

SUEZ's Water Technologies and Solutions will strive to prevent adverse impact and injury to the environment and the communities in which we do business. Our programs combine clear leadership by management, the participation of all workers, functions, contractors and the use of appropriate technology in developing and distributing SUEZ's WTS products and services.
